Hiring Manager

NearPay Innovations Pvt. Ltd.

Kozhikode, Kerala

Dear Hiring Manager,

I am writing to express my interest in the full-time MERN Stack Developer position at NearPay Innovations Pvt. Ltd. as advertised on SimplyHired. With 1+ years of hands-on experience in building robust and scalable web applications using the MERN stack, I am excited about the opportunity to contribute to your team and help revolutionize the shopping experience with Nearwala.

During my time working with the MERN stack, I have honed my skills in MongoDB, Express.js, React.js, and Node.js. I am proficient in React.js and its ecosystem, including Redux, Context API, and Hooks, and I have successfully developed and deployed web applications. My experience in optimizing application performance and writing clean, efficient code aligns well with the responsibilities outlined for this role. Additionally, I am comfortable with version control systems like Git and familiar with RESTful API design principles.

I have a strong passion for learning and staying updated with the latest trends in web development. My problem-solving and analytical skills allow me to tackle challenges effectively while collaborating seamlessly with teams. I am confident in my ability to make a positive impact at NearPay Innovations and contribute to your mission of empowering small retailers and enhancing customer engagement.

You can view my GitHub profile at <https://github.com/shafeeq777444> and my LinkedIn profile at <https://www.linkedin.com/in/mohamed-shafeeq-570502231/> for more details on my work.

I am available to start immediately and would welcome the opportunity to further discuss how my skills and experiences align with the needs of your team. Thank you for considering my application. I look forward to the possibility of contributing to the continued success of NearPay Innovations Pvt. Ltd.

Sincerely,  
Mohamed Shafeeq
